Our membership fee is currently £10 per year per person and our membership year runs from June 1st to May 31st. This means that whenever you join, your subscription expires on 31st May. Because of this, if you join between January and March we reduce the fee to only £5 per person. If you join in April or May, your £10 will see you through to the end of May the following year giving you 13 or 14 months for the price of 12!

Month in which you join	Membership Fee per person	Expires on
June to Dec	£10	May 31st of the following year
January to March	£5	May 31st of the current year
April or May	£10	May 31st of the following year

Please note that this form caters for both an individual or a joint membership application (two people sharing one email address).

The fields marked "First Name 2" and "Last Name 2" are only relevant for a Joint application.

If you do not have an email address, you are very welcome to still be a member and show your support. However, you should be aware that all our regular communications are by email. We will endeavour to send out the list of monthly events at the beginning of the year but you will not receive the monthly emails with updates and the latest news. Sadly, it is just not viable to send these out by post.

The Friends of Hastings Country Park & Nature Reserve will record the data you supply on this membership application form in accordance with the terms of our Privacy Policy which is available to view on our website (<https://www.friendsofhastingscountrypark.org/privacy-policy>).

We will use the information to contact you; in particular, to inform you about our events and activities and to send you our members' newsletter. We will never pass on your details to a third party.
